

October 2018

**Subject: 3M™ Bumpon™ Protective Products SJ5312 Clear Shape Case Quantity Change**

To Our Valued Customers:

You are receiving this letter because your company has purchased the above mentioned product during the last two (2) years. Please circulate this notice to the people in your organization who need to know of this change.

In keeping with 3M's commitment to continuously improve product quality and service, we will move to change the case quantity for the Bumpon protective product SJ5312 molded shape to the actual quantity shipped of 3024 pieces instead of the previous rounded quantity of 3000 pieces. The transition to the new case quantity will be effective November 19, 2018. After this date, all new orders will need to reflect the new minimum order quantity and minimum order increments of 3024 pieces. The unit price will not be impacted by this change.

We are confident that this change will lead to improved user experience of our 3M™ Bumpon™ Protective Products. If you have any questions or concerns regarding the change, please kindly contact your local 3M sales representatives.

We thank you for your continued partnership with 3M.

Sincerely,

**Ed McGlynn**  
Global Business Development Manager
